**Re: COVID-19 In-Person Visitation**

Dear Family, Friends and Designated Representatives,

As per the New York State Department of Health's Health Advisory, received on Friday, July 10th, 2020, limited outdoor/indoor visitations are now allowed, provided the facility meets strict guidance and criteria. One of the criteria is that we must be without any COVID-19 cases among residents and staff for at least 28 days. Andrus on Hudson is pleased to announce that we have met the criteria and under the specified guidelines shall be resuming limited in-person visitation on 9/8/2020. Visiting hours shall take place Monday through Friday from 11AM – 12PM and 130PM – 530PM and must be scheduled. Please note that in-person visitation shall be temporarily suspended if a member of our staff or a resident tests positive for COVID-19.

Please review the following procedures before scheduling your visit. We understand how difficult it is to have been separated from your loved one and thank you for your patience and understanding during this unprecedented time.

Sincerely,

Jon V. Kole  
COO

185 Old Broadway
